From Mayor Bacci's Desk

I hope everyone is doing well and enjoyed their Easter holiday—just wished the weather would have cooperated a bit better for the kids while they were on spring break. It was great to hear all the positive feedback from those who went on the trip with the Rec Department to Scene 75; we heard that everyone had a wonderful time!

Around Town

Since January, we have had an on-going water leak on lower East 49th Street and notified the Cleveland Water Department about the problem. Unfortunately, after repeated calls, we found out that there is no sense of urgency on their end to repair it. We will, however, continue our efforts to continue reaching out to them so that this leak can be repaired in the very near future.

Many of you have inquired about and many have noticed that earlier this year, Phase 2 of the village hall campus area is underway with renovations to the locker rooms, office, bathrooms, and upper deck. We are praying (barring an act of GOD) that everything goes well so we are ready for opening day—Saturday, June 7. Unfortunately, due to weather issues, our turf contractor had to push back installing the remaining turf at the playground, and we hope to see that installed very soon. We are very excited that our residents will be able to enjoy such an incredible complex this summer. In addition, we're trying to secure food trucks once a week in July at the campus area.

On April 9, 2025, my office sent out a letter to all our residents—it was included with your Neighborhood News that week about the construction of the new homes that will be built at 7133 and 7137 Marcelline Court. In that communication, we advised that the homes were being sold through a legal bidding process that is open to anyone in the public who is interested in buying and living in either home. The rendering of the homes and information can also be found on Zillow. As I have mentioned before, we are very excited about these two new homes, and as I have been saying for 20 years, our housing stock and the marketability as an inner-ring suburb with a strong tax base and school district are the primary reasons that our community continues to thrive. So, it is imperative that our housing stock continues to be maintained, updated, and in this case, ultimately being completely replaced so that your biggest investment continues to grow in value! With that in mind, our residents will begin to see work going on at 7138 Bletch Court. The Cuyahoga Land Bank recently awarded a contractor to do asbestos abatement to the house. These are just a few of the steps that need to be taken before both the front and rear structures can be demolished. All this construction is going to be very trying to our residents in or about the courts, but we will do everything we can to minimize the aggravation.

CUYAHOGA LAND BANK

From Mayor Bacci's Desk (continued)

On behalf of our administration, the present council as well as past councils, and senior staff—we are excited that the former Hillside property is set for development in the coming weeks. As I have told you over the years, we have had many suitors, but our patience has yielded a formidable national company. It is with great pride that we would like to introduce to our community Southern Glazer's Wine & Spirits. This is a distribution center for wine and spirits, and this building will also serve as their northeast Ohio headquarters to accommodate their sales staff and warehouse personnel.

West Side Market Trips

This will be our last trip to the West Side Market before we suspend the service for the summer months. Sign up now for Saturday, May 3. Residents must register by calling the village hall no later than 3:00 p.m. on Friday, the day before the trip. Please note that children 15 years of age and younger must be accompanied by an adult and there is a $5.00 non-resident fee.

Canalway RiverSweep

The RiverSweep will take place on Saturday, May 3 at 9:00 a.m. Council President Renato Contipelli will be leading the cleanup site at Bacci Park and along Mill Creek. We hope that our residents will volunteer their time to assist us.

Election

Voting polls will be open for the 2025 Primary Election on Tuesday, May 6 at the village hall from 6:30 a.m. until 7:30 p.m. If you need additional information, the board of elections' phone number is (216) 443-8683.

Peace Officers Day

Peace Officers Memorial Day and Police Week is an observance in the United States that pays tribute to the local, state, and federal peace officers who have died, or who have been disabled, in the line of duty. Cleveland's 40th Annual Memorial Police Week is May 10-17. On Friday, May 16, the Greater Cleveland Peace Officers Memorial Society will hold their annual parade and memorial service. Step off is at 10:30 a.m. from Lakeside Avenue and East 12th Street and ends at the Greater Cleveland Police Officers Memorial at West 3rd Street and Lakeside Avenue where a memorial service will take place at 11:30 a.m. As a former police officer, I will always continue to keep the men and women in blue in my thoughts and prayers. And especially at this time, I ask that we all continue to keep the Trusso family in the forefront of your prayers. As we all sadly recall, on May 11, 2024, we lost one of our own, Euclid Police Officer Jacob Derbin was shot and killed in the line of duty; he was only 23 years old.

From Mayor Bacci's Desk (continued)

Memorial Day Parade & Service

We hope that village residents, families and friends will attend our annual Memorial Day service and parade on Monday, May 26. For those that are interested in participating in the parade, step off is at 10:00 a.m. from Klima Gardens. The procession will go south on East 71st Street and end at the war memorial in front of the village hall. We would love to have as many veterans, adults, children, and groups as possible join in on the parade. Children that are interested in decorating their bikes, wagon, scooters can do so at 9:00 a.m. that morning at Klima's—we'll supply the decorations. Set aside a couple of hours and join us as we recognize and honor those Veterans who made the ultimate sacrifice for this great nation. After the service, please join us at Klima Gardens for food and refreshments. Also, the Historical Committee will open the Kennedy House to visitors from 10:00-11:30 a.m. that day.

Graduation

The students from the Cuyahoga Heights High School Class of 2025 will be graduating on Sunday, June 1—so you'll see a lot of extra activity in and around the school area. Additionally, the last day of school for grades K-4, 6-7, and 9-11 is Thursday, June 5.

Garage Sale

Deadline to register for the villagewide garage sale is Wednesday, June 11; please contact the village hall during normal business hours to sign up. The event will take place on Saturday, June 28 from 8:00 a.m. until 3:00 p.m. We will be placing ads in the Neighborhood News and online in an effort to promote the event.

Shred Day

Our annual shred day is set for Saturday, July 12 at Gateway Products Recycling located at 4223 East 49th Street from 9:00-11:00 a.m. We will have several service department employees on site to assist you with your bags/boxes of shredding material.

From Mayor Bacci's Desk (continued)

Congratulations

On behalf of myself and all the elected officials, employees, and you—the residents of Cuyahoga Heights, we want to congratulate Patrolman Frank Trusso who recently retired from the Cuyahoga Heights Police Department after serving 28 years on the force. We wish him a happy and healthy retirement! Pictured is Frank at our 2014 Halloween party holding his neighbor's child, Grace Nichols.

Two Cuyahoga Heights High School student-athletes, and who are also village residents, made their college commitments official on April 10. Nick Armbrust will be heading to the University of Mount Union for track and field, and Paige Henley has committed to Baldwin Wallace University for volleyball. Congratulations and best wishes to these talented young athletes as they continue the next chapter of their lives.

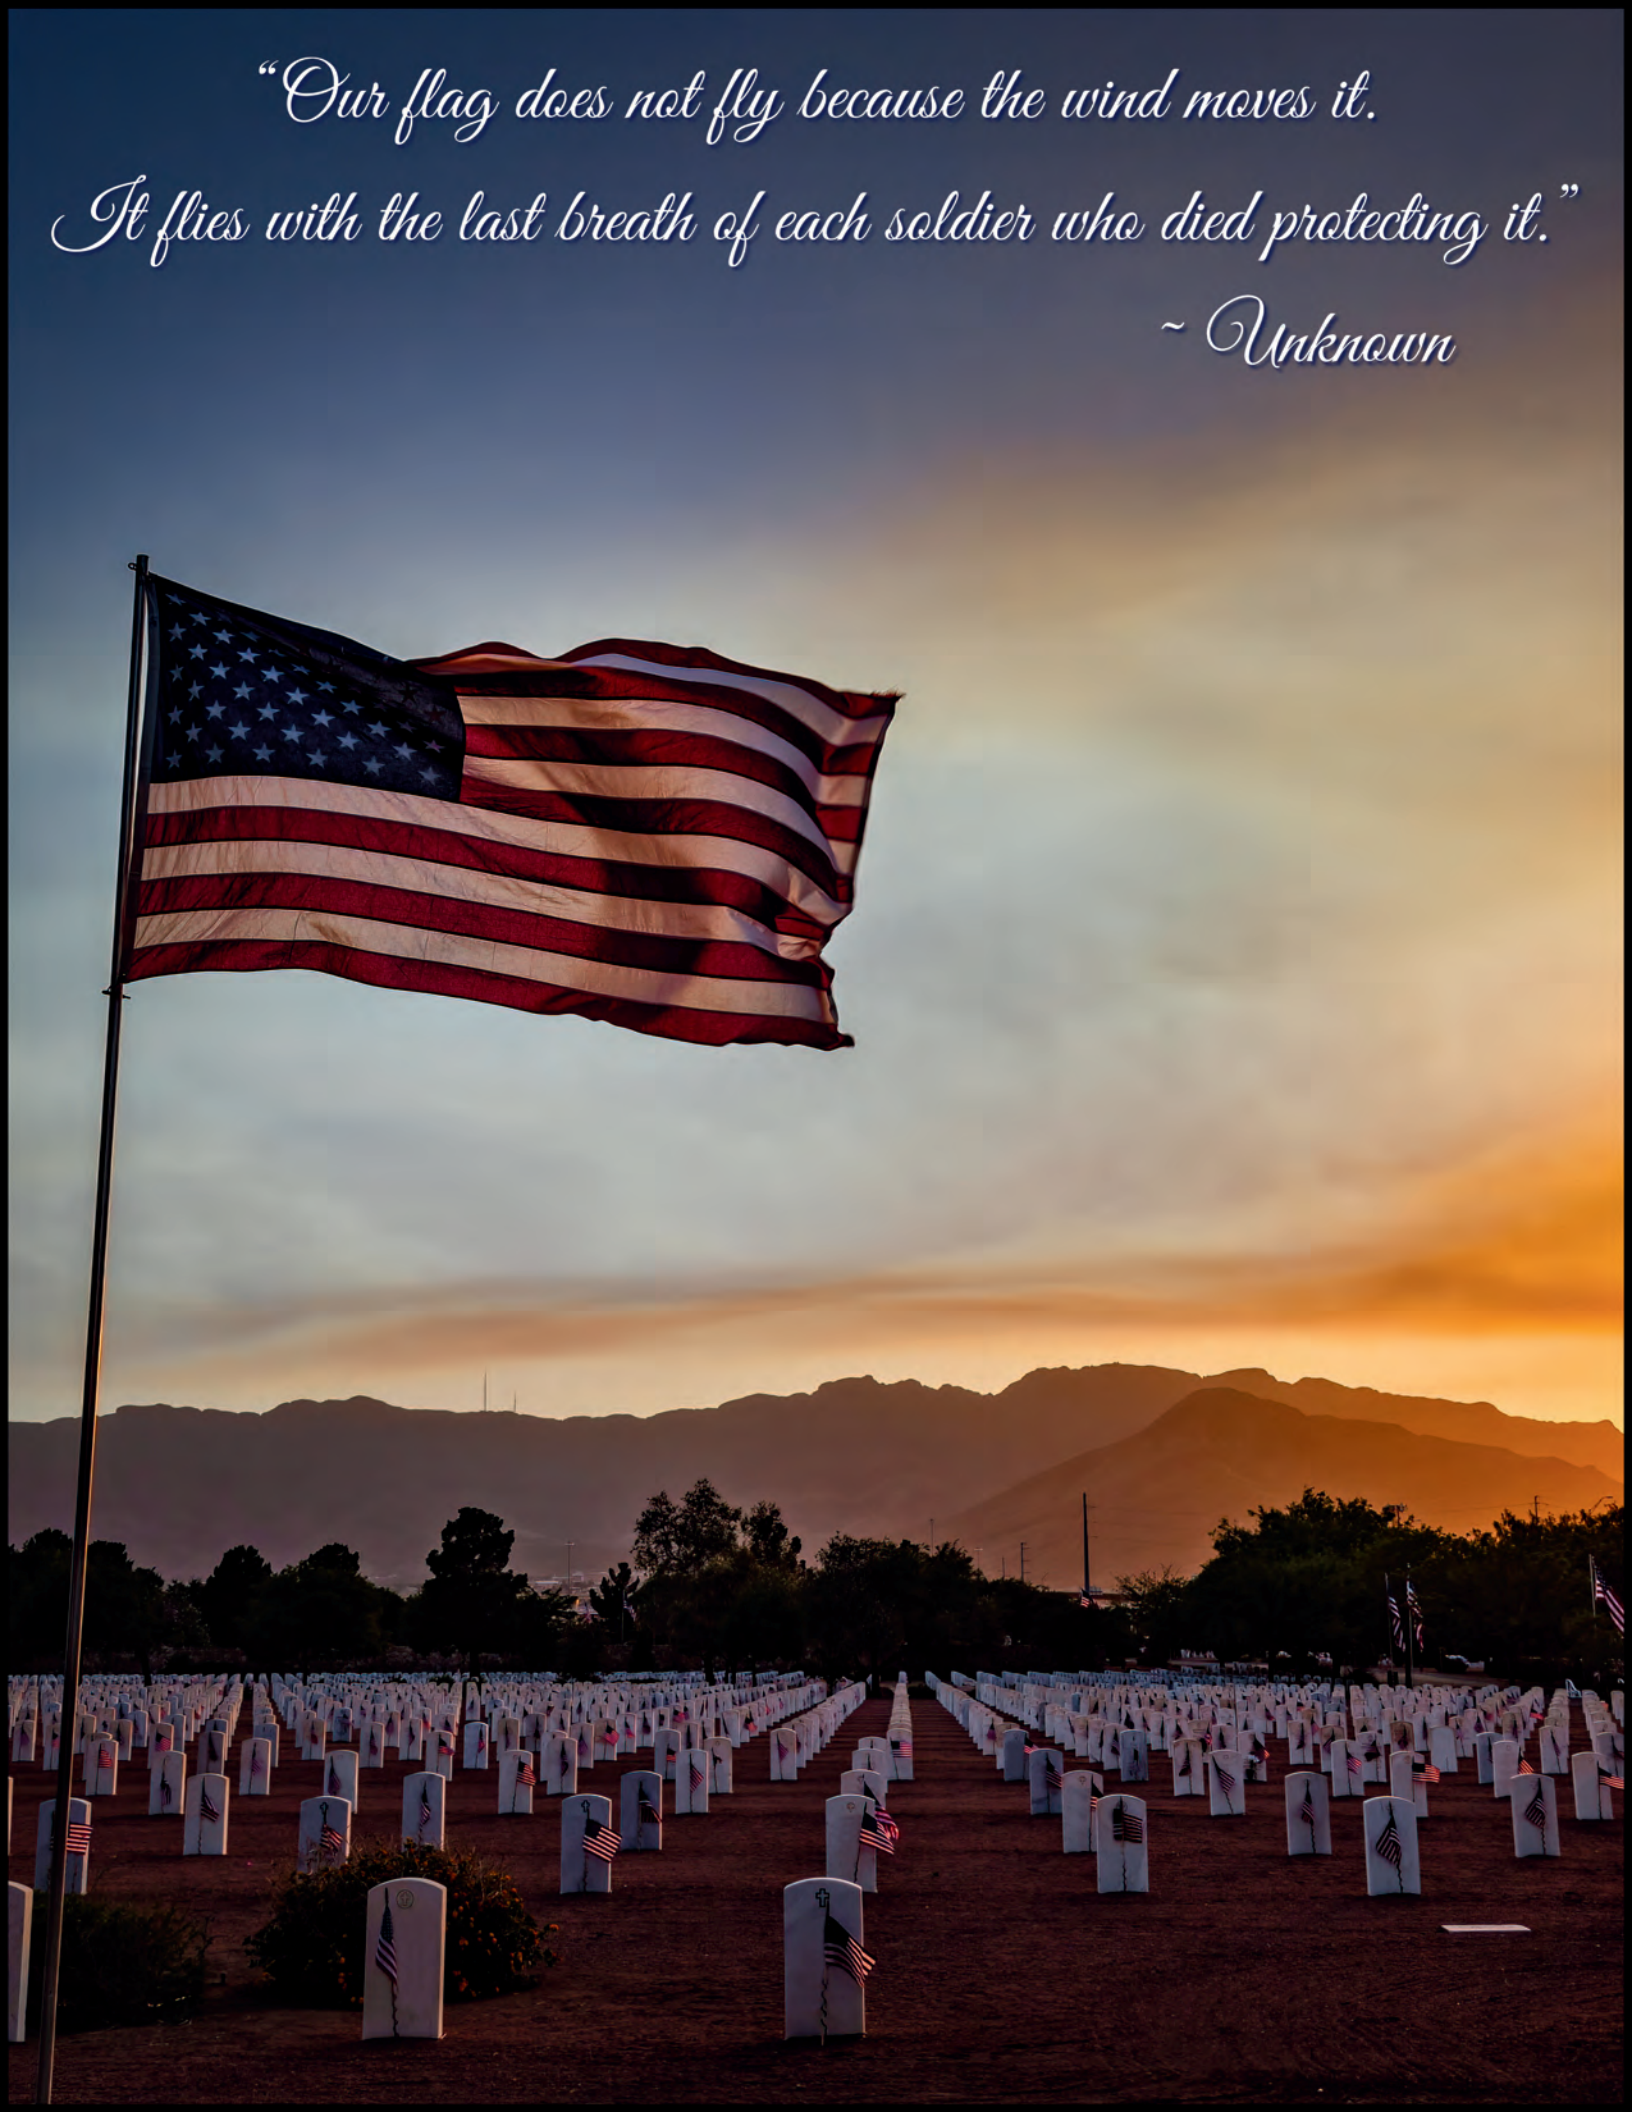
Congratulations to resident Tom Kekelis who became a grandpa again! His son Tim and daughter-in-law Jennifer recently welcomed Toby Thomas Kekelis into the world on Wednesday, April 9. Toby weighed in at 6-lbs., 16-oz., and 17-inches long. Best wishes to the family with their new bundle of joy.

Birthdays

May birthday wishes to employees: (6) Scott Reid, (7) Service Director Dave Sammons; (12) Brad Beaulieu; (23) Gregory Gentile; (26) Kevin Stack; (28) Kelly Hartman and Cory Pucci.

Condolences

As many of you know, we recently lost lifetime village resident Mr. Tom Borowy who passed away on April 6 after battling cancer; he was 82 years old. Mr. Borowy is survived by his sons Jeff, Brad, our Assistant Fire Chief Bryon Borowy, and his two sisters Shireen Mitchell and Alice Tyna. First and foremost, he was an incredible baseball player, it was his life, his passion. He was also a teacher, coach and former village councilman. I know he made all of us "kids" in the village better ball players with a greater understanding and respect for the game, that at times, has been seemingly lost today. His personality and character were like no other—he surely will be missed. Please keep his family in your thoughts and prayers. Mr. Borowy is pictured with his sister Shireen and her late husband Guy at our Memorial Day service in 2013.



"Our flag does not fly because the wind moves it.
It flies with the last breath of each soldier who died protecting it."

ODOT NEWS

The Project: I-480 to I-77 Ramp Bridges...This project will replace the bridge decks of the I-480 east and west ramps to I-77 over I-480.

Traffic Impacts: In late April 2025, ODOT will be closing two major ramps at the I-480 and I-77 interchange. I-480 eastbound to I-77 northbound and I-480 westbound to I-77 southbound will be closed through early September.

The detour for I-77 north will continue on I-480 east and flip around to I-480 west at Transportation Blvd. and then continue to I-77 north.

The detour for I-77 south will continue on I-480 west, take the exit for SR-17 (Brookpark Rd.), and get back on I-480 east to continue to I-77 south.

Please Remember: WORK ZONE SAFETY

According to state records, there were 4,000 work zone crashes in Ohio last year and 35% of these crashes occurred with workers present. Sadly, 22 people were killed in 21 deadly work zone crashes. Another 123 were seriously injured in 97 work zone crashes.

ODOT has launched a new safety campaign, "Not Just A Roadside Worker", to remind drivers about the importance of Ohio's Move Over Law. ODOT employees, vehicles, and equipment were struck 84 times last year.

To protect roadway construction workers, the CHPD urges motorists to drive safely in-and-around work zones by:

- Establishing a safe following distance
- Obeying the work zone speed limit (because of reduced lane widths and traffic lane shifts)
- Avoiding distractions
- Paying attention to signs
- Being prepared to slow down or stop

Police Dept. 5480 Grant Ave. Cuyahoga Hts. OH 44125 (216) 640-2045 chpd@cuyahogaheights.com

A Message from Police Chief, Brian Sturgill

The CHPD would like to congratulate Patrolman Frank A. Trusso Jr. #111.

On March 28, 2025 Ptl. Trusso retired from duty after 28 years of faithful service with the Cuyahoga Heights Police Department.

Ptl. Trusso was hired by Mayor Louis J. Bacci on November 11, 1997. Ptl. Trusso also served his community and country by serving in the United States Marine Corps and as a Boy Scouts of America Scoutmaster.

Through the diligence of his patrol and his personal engagement with the residents, students and businesses of the Village of Cuyahoga Heights, Ptl. Trusso set the standard for "community policing".

Thank you for your service!

A Message From Your Fire Chief, Mike Suhy

May is ELECTRICAL SAFETY Month

Electrical Safety Tips

- **Inspect Electrical Systems**: Regularly check electrical cords, outlets, and wiring for damage or wear.
- **Use Power Strips with Fuses:** When plugging in lights and decorations, use power strips with built-in fuses.
- **Avoid Overloading Outlets:** Never plug too many devices into one outlet or extension cord.
- **Don't Run Cords Under Rugs:** This can create both a trip hazard and a fire risk.
- **Unplug Appliances Properly:** Always grasp the plug, not the cord, when unplugging appliances.
- **Use Correct Wattage Bulbs:** Ensure you use the correct wattage bulbs in lamps and fixtures to prevent overheating.

LI-ION

Be Aware of Thermal Runaway!
Lithium-ion batteries are susceptible to thermal runaway, a process where a fire can spread quickly and intensely.

Warning Signs to Watch For:

If you notice any unusual odors, changes in shape or color, leaking, or odd noises from your battery or charger, stop using it immediately.
Move the device away from flammable materials and call 9-1-1 if necessary.

Cell Phone Charging Fire Safety

Avoid Overnight Charging:
- Charging phones overnight can cause lithium-ion batteries to overheat and pose a fire risk.

Use Manufacturer-Provided Chargers:
- Always use the charger that came with your phone or a certified charger from a reputable brand.

Charge on Hard, Flat Surfaces:
- Avoid charging phones on beds, couches, or other flammable surfaces where heat can become trapped.

Keep Charging Areas Away from Combustibles:
- Ensure the charging area is free from flammable materials like pillows, blankets, or curtains.

Unplug When Fully Charged:
- Once your device reaches 100%, unplug it to reduce battery stress and overheating.

Monitor for Signs of Damage:
- Regularly inspect your charger and phone for exposed wires, cracks, overheating, or other damage.

Don't Overload Outlets:
- Avoid plugging multiple chargers or extension cords into one outlet to reduce the risk of overheating and fire.

A Memorial Day Message...

From all of us at the Cuyahoga Heights Fire Department, we wish everyone a safe and Happy Memorial Day.

This is a time to remember and honor all Americans who have fought to keep our country safe and free.

We extend our deepest gratitude to those who have made the ultimate sacrifice and to the brave men and women who continue to serve today.

Stay safe, Cuyahoga Heights Fire Department

Spring is finally here! Temps have been a little cool, hopefully we have warmer weather conditions heading our way. Spring is a great time to get outside and examine the exterior of property and home. The following checklist can assist you in evaluating the exterior condition of your home and property. Maintaining these items are in accordance with our codified ordinances for the village.

ROOF

Does your roof leak or have missing shingles?

The flashings should be fastened and sealed. Shingles should be secured.

GUTTERS

Do your gutters need to be replaced or repaired?

Do they leak and do they drain away from the house?

Gutters and downspouts should be cleaned and securely fastened.

PAINTING

Is the exterior of your home faded or showing alligatored or peeling surfaces?

Trim should be cleaned, caulked and painted.

PORCHES

Do your porch steps need to be repaired or replaced?

The foundation should be structurally sound and safe.

Handrails and railings should be secured and show no signs of deterioration

DRIVEWAYS

Is your driveway deteriorated, cracked or lifted?

Is your driveway free of overgrown vegetation?

Driveways should be level to avoid any trip factors and allow proper drainage.

YARD/LANDSCAPING

Is the grass being maintained on a regular basis?

Do your trees and shrubs need to be trimmed?

Yards and landscaping beds should be free of weeds and debris.

DEBRIS/JUNK & INOPERABLE VEHICLES

Do you have tires, construction materials or junk laying around your property?

Do you have old vehicles with expired plates parked in your yard?

Properties should be free of visible debris or junk.

Unlicensed vehicles must have current tags displayed on the vehicle.

In order to maintain the quality appearance of the Village, property maintenance inspections will be performed. The building department will be performing exterior maintenance inspections this spring. Should the inspector find an area of your property that needs attention, you will be notified in writing with a photo of the area that needs to be addressed.

Remember that maintaining your property is your responsibility as a homeowner.

The George M. Suhy Grant Program

The process is now done online through our website at www.cuyahogaheights.com, click on the online services tab at the top of the page and scroll down to Suhy grant application. This is where you will start your application for your grant. Please follow the steps listed below:

1. **If using a contractor, the contractor must be registered with the village's building department. Once they are registered, they will receive a contractor registration number.**

2. **You or your contractor must apply for a construction permit for your project, (the permit application also can be accessed through the online services tab on our website.) Once your application is reviewed and approved by the building department, you will be emailed an approval with the permit fee, there will be an attached link to pay for your permit fee online. Once the permit is paid for, you will receive a permit.**

3. **Complete the George M. Suhy grant application.**

4. **Schedule a pre-inspection of your project with the building department, (a pre-existing picture is required before new work can be started).**

5. **Proceed with your project, if your project needs an outsourced inspection, the building department will notify you.**

6. **Complete your project.**

7. **Schedule a final inspection with the building department (a picture of completed work will be required).**

8. **Submit all receipts and have your contractor sign and date their invoice, the contractor must verify how the invoice was paid. If the contactor's invoice was paid by a check, the building department will need a copy of the deposited check front and back, if the invoice was paid by a credit card, we will need a statement showing paid with a confirmation number for the credit card used and if the invoice was paid by cash, your contractor will have to sign, date and write paid in full by cash.**

9. **Once all the above steps have been completed, you will receive your grant check by mail within 45 days.**

Please note: If you do not have access to a computer, please call the building department and we can schedule a time when you can come into the village hall, and we will assist you in filling the application out on a village computer. Please call 216-641-7020 to schedule with the building department Monday through Friday from 8:00 a.m.-12:00 p.m. and 1:00-4:30 p.m.

VILLAGE WIDE SERVICES

Garbage Pick Up/ Recycling/ Yard Waste

Our service department collects garbage every Monday morning beginning at 8:00 a.m. at no charge to its residents. They will come into your yard and take your garbage tote and recycling container to the curb; afterwards they will carry it back into your yard. Please note that if a holiday falls on a Monday; the service will commence on Tuesday.

Newspaper/ Cardboard Recycling

Do your part in helping the environment; recycle cardboard and newspaper. Our village has a recycling container located at Bacci Park in the rear of the back parking lot. The container is strictly for cardboard and newspaper. Please make sure to break down your cardboard boxes before placing them in the container. Stop on down and do your part in recycling. If you have a large amount and are unable to take it to the container, please call the service department during normal business hours prior to Tuesday mornings; we will put it on our "special pick up" list.

Special Pick Up—*NOW ONLINE!*

If you need a special pick up for trash that is oversized, large amounts, or hazardous waste, you can now go online to be put on the special pick up list. Special pick up day is on Tuesday mornings, unless there is a holiday on Monday, at which time, the special pick up will be taken care of on Wednesday. You must submit your information by 4:00 p.m. on Monday to get on the list for Tuesday's pick up. Please visit www.cuyahogaheights.com at the top select 'Online Services' & select the red 'Special Pick Up' tab. Please fill out your name, address, and all information regarding items you would like to be picked up and where they are located. You will then get an email response when the request has been successfully submitted. If you have any questions, please contact Vera at 216-641-3505.

Charity Pick Up—*NOW ONLINE!*

Our service department will pick up any small usable item at your residence that you would like to donate to charity on the first Wednesday of each month. Small household items, clothes, etc., are collected and donated. No tax receipts are given for this service. Please visit www.cuyahogaheights.com at the top select 'Online Services' & select the red 'Charity Pick Up' tab. Please enter your address and select from the drop down. Fill out your name, phone number, email address and all information regarding items you would like to donate and where items are located. This must be submitted prior to the first Wednesday of the month for this service. You will then get an email response when the request has been successfully submitted. If you have any questions, please contact Vera at 216-641-3505.

Dumpster Rentals—*NOW ONLINE!*

Residents may rent a village dumpster for personal use at their home by paying $30.00 to the village for each dumpster load. Dumpsters can be used for yard waste, construction debris or miscellaneous household items NOT including carpet, tires, or hazardous waste. Please do not mix materials. Please visit www.cuyahogaheights.com at the top select 'Online Services' & select the red 'Dumpster Rental' tab. Provide your information and select a preferred delivery date for the dumpster & specify the location for placement. You can now conveniently pay the fee online through a link that will be sent to your email. You also can drop off cash or check payments at village hall. Use of the dumpster is for a maximum of two (2) weeks. After two (2) weeks, the dumpster will be picked up from the resident's home. If the resident needs to use it again, he/she will go back on the waiting list. Please note that the disposal of debris created from outside the village is prohibited.

VILLAGE WIDE SERVICES

Table & Chair Rental—*NOW ONLINE!*

A limited number of tables and chairs are available for use by residents having parties at their residence, free of charge. To reserve your tables and chairs, simply head to the top of our village website homepage, click on 'Online Services', and then select 'Table & Chair Rental'. From there, you can fill out the application to secure your rental and schedule a pick-up time.

Pest and Insect Control Service—*NOW ONLINE!*

Pest control services can be easily accessed through our village website! Simply navigate to the top of the homepage, select 'Online Services', and then choose 'Pest & Insect Control'. From there, you can complete the application. Once we receive your request, the service department will coordinate with our pest control vendor. This service is complimentary, with the exception of termites, bed bugs, and wildlife. Additionally, the village conducts exterior spraying of your home in the spring to help prevent unwanted pests from entering. As always, you can also reach out to the service department to report any issues by calling 216-641-3505.

Grass Cutting—*NOW ONLINE!*

The village offers lawn mowing services for senior citizens aged 60 and older who qualify for the program at their homes. Before we can assist you, a signed waiver is necessary. You can find the forms online or submit them at the village hall. If you're uncertain about having a waiver on file, feel free to contact the service department. Additionally, please remember to regularly clean up any dog waste.

Garden Rototilling—*NOW ONLINE!*

The Cuyahoga Heights Service Department offers complimentary rototilling of residential gardens once a year, upon request. Please make sure to clearly mark the area that needs rototilling before the scheduled date. To set up your appointment, you can visit our website under 'Online Services' or contact the service department.

Tree Trimming/Removal Service—*NOW ONLINE!*

The village will provide a professional tree trimmer to remove or trim a tree on a resident's property. Please note that tree trimming/removal is limited to two (2) trims per year and one (1) removal. If a crane is needed for tree removal, it is the responsibility of the homeowner to pay for the service. In addition, if a stump needs ground, it is the responsibility of the homeowner to pay for this service, whether the homeowner uses the tree company that the village has a contract with or another tree company. Please visit online at www.cuyahogaheights.com under 'Online Services' & select the red 'Tree Trimming' tab.

Meals on Wheels (By Lori's Custom Catering)—*NOW ONLINE!*

Visit www.cuyahogaheights.com at the top select 'Online Services' & select the red 'Meals On Wheels' tab to fill out an application. This service is available to any village resident that is 60 years of age or older. A lunchtime meal will be delivered to your home daily, Monday through Friday, by our service department. This is an affordable option, the cost is $25.00 per week, which is only $5.00 per day (you must sign-up up for a full week.) To receive meals for a given week, payment must be made by the Thursday prior. If you have any questions regarding this service, please contact Vera at the service department at 216-641-3505 or sd@cuyahogaheights.com.
