

# Last Chance to Register!

## **Santa Claus is Coming to Town**

Santa and Mrs. Claus will be delivering Christmas stockings on **Sunday, December 16** beginning at 11:00 a.m. to our resident children of Cuyahoga Heights who are between the ages of 0 and 10. Village resident children who are 11 and 12 years old will receive a gift certificate on the same day. **\*\*Christmas Stockings/Gift Certificates will not be left at the residence if no one is home.**

If you have children who reside in our Village, 0 to 12 years of age by December 16<sup>th</sup>, please call the Village Hall at 641- 7020 during normal business hours with their information so we can register your child/children. Otherwise, you can fill out the information below and drop it off at the Village Hall, or email the information to the Mayor's office at [l.schoeffler@cuyahogaheights.com](mailto:l.schoeffler@cuyahogaheights.com).

In addition, any resident child who is registered for a Christmas stocking or gift certificate and will **not be home** on Sunday, December 16<sup>th</sup> can pick up their stocking on Friday, December 14<sup>th</sup> at the Village Hall between the hours of 8:00 a.m.-12:00 p.m. and 1:00-4:00 p.m.

**\*All registered children should bundle up and meet Santa outside when he arrives in front of your home on December 16<sup>th</sup>. With it being our Centennial, we want to take pictures with the children in the sleigh with Santa.**

**ONLY VILLAGE RESIDENT CHILDREN WHO ARE REGISTERED  
WILL RECEIVE A STOCKING/GIFT CERTIFICATE**

## Christmas Food Drive

Our Village will be assisting in a food drive that will help out some of our residents in town during the Christmas holiday. Please place your bag of non-perishable food items on your front doorstep by 11:00 a.m. on Sunday, December 16. While Santa and Mrs. Claus are visiting our resident children that day, their helpers will pick up the bags from your doorstep.

Thank you in advance for your generosity during this Christmas holiday and may God Bless you and yours!

# Heating Safety

There is something about the winter months and curling up with a good book by the fireplace. But did you know that heating equipment is one of the leading causes of home fire deaths? With a few simple safety tips and precautions you can prevent most heating fires from happening.

## BE WARM AND SAFE THIS WINTER!

- Keep anything that can burn at least three-feet (one metre) away from heating equipment, like the furnace, fireplace, wood stove, or portable space heater.
- Have a three-foot (one metre) "kid-free zone" around open fires and space heaters.
- Never use your oven to heat your home.
- Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer's instructions.
- Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
- Remember to turn portable heaters off when leaving the room or going to bed.
- Always use the right kind of fuel, specified by the manufacturer, for fuel burning space heaters.
- Make sure the fireplace has a sturdy screen to stop sparks from flying into the room. Ashes should be cool before putting them in a metal container. Keep the container a safe distance away from your home.
- Test smoke alarms at least once a month.

## Heating Equipment Smarts

**Install** wood burning stoves following manufacturer's instructions or have a professional do the installation. All fuel-burning equipment should be vented to the outside to avoid carbon monoxide (CO) poisoning.

**Install** and maintain CO alarms to avoid the risk of CO poisoning. If you **smell** gas in your gas heater, do not light the appliance. Leave the home immediately and call your local fire department or gas company.

## FACT

Half of home heating fires are reported during the months of **December, January, and February.**
