Senior Citizens

Several weeks ago, we held our senior citizens flu shot and breakfast at Klima Gardens. Each year our turnout is getting smaller and smaller, but as long as our seniors take part in the event, we will continue to have it. Besides getting a flu shot or having blood work done, breakfast was served and it was nice to see most of our elders sticking around and chatting it up with their neighbors. Pictured with Mayor Bacci at the event is Kathy Unger.

I wanted to make everyone aware that in addition to the traditional George M. Suhy grant program which is offered to all homeowners in the village, there is also a Senior/Disability grant program. This supplemental grant is for homeowners who are 60+ years of age or have a disability and qualifies under the program. Those eligible can qualify for reimbursement up to \$1,000 per project, three times over a five-year period (1/1/23-12/31/27). Example: Under this program, if the project costs \$1,000, reimbursement is \$500; if the project costs \$2,000, reimbursement is \$1,000 and so on for a total of three projects. For additional information/clarification, please contact Ken LaBella in our building department.

Medical transports are available for our senior citizens (60+) who are otherwise unable to get to their doctor appointments. If any senior citizen has a doctor's visit and in need of transportation, please contact Vera Heinzman at 216-641-2702 during normal business hours one week prior to the scheduled doctor's visit.

Halloween Costume Drive-Thru and Trick-or-Treat

Mark your calendar for our "Halloween Costume Drive-Thru" at Bacci Park on Tuesday, October 31 from 4:30-5:30 p.m.—right before the kids go door-to-door. The event is for our resident children and grandchildren between the ages of 0-12. Upon entering the park, your first stop will be at the concession stand where the children will receive a Halloween goody bag from our elected officials and village hall staff; there will be additional stops with treats from our departments along the way before exiting the park. Please note, we are asking that everyone remain in their vehicles throughout the "drive-thru" for everyone's safety. You must sign up for this event if you would like to participate. Please contact the village hall during regular business hours at 216-641-7020 or email lschoeffler@cuyahogaheights.com. We will need to know the name(s) of your children/grandchildren and their ages. Deadline to register for the Halloween Drive-Thru is Friday, October 20. Don't forget to wear your costume so we can get plenty of pictures and then you'll be ready to go Trick-or-Treating in town from 6:00-8:00 p.m. Residents that wish to pass out candy at their home, please leave your front/porch light on so the children know they are welcome at your home. Happy Halloween!

From Mayor Bacci's Desk (continued)

General Election

Don't forget that Tuesday, November 7 is the General Election. As we noted in last month's newsletter, there will be local, county and state items on the ballot—noting that three council positions are up in our local election. In addition, the Cuyahoga Heights Schools will have a very important levy on the ballot as well. If you have moved or changed your name since you last voted, you must complete a new registration form to reflect your new address and/or new name. Voter registration forms must be postmarked 30 days before an election in order to be eligible to vote. The registration form, as well as the "Vote by Mail" applications, are available for our residents at the village hall during normal business hours. You can also go online at boe.cuyahogacounty.gov and fill out the forms. If you need additional information, the board of elections' phone number is 216-443-8683.

Congratulations

Village residents Russell & Kelly Hartman are over the moon! Their daughter Amanda recently tied the knot on September 2, 2023 to Darin Lewis; the couple had been dating since high school. The event was held at the beautiful Ariel Pearl Center in Old Brooklyn and was surrounded by family and friends. Cheers to the newlyweds!

Also, we learned that resident John Traffis recently married his fiancée Cynthia Martin on September 5. Wishing you both happiness as the two of you embark on this next chapter of life!

For the third year in a row, village resident Michael Cimperman participated in the Cleveland VeloSano on Saturday, September 9. He and his teammates Brent, Dean and Dustin biked 103.18 miles in 6-hours, 22 minutes. Their team raised \$8,000 for lifesaving cancer research at the Cleveland Clinic. Pictured is the team at Rest Stop #4 in Burton and at the finish line in downtown Cleveland. Congratulations to Team Cimperman for a job well done!

From Mayor Bacci's Desk (continued)

The next day Michael celebrated his birthday with friends and family at the Browns home opener and saw a win! The last time the Browns won a season-opening game at home was in 2004.

Birthdays

October birthday wishes to employees: (2) Ben Chojnacki, (11) Steve Harris, (15) Nick Frye, (23) Tyler Selig and (24) Mindy Armbrust.

And special milestone birthday wishes to Councilman David Volek who turns "60" on October 4. Pictured are Dave and Stephanie Volek during their Alaskan cruise vacation this past summer.

Happy
Birthday

If you would like to share any exciting news with us (milestone birthday, newborn, achievement, award, etc.,) please email the information and picture to our office at l.schoeffler@cuyahogaheights.com and we will put it in the newsletter.

In closing, as many of you know, our administration and staff have been diligently planning and working on our annual corn roast for the past month. It takes place next Saturday, October 7 from 4:00-10:00 p.m. I hope many of our residents are able to attend this special event! We've also included the schedule of events for that day in this newsletter.

EMPLOYEE SPOTLIGHT

LEE ANN SCHOEFFLER,
ADMINISTRATIVE ASSISTANT TO MAYOR BACCI

"I am the third generation of my family to live in Cuyahoga Heights and have always been involved with village politics—thanks to my family. My mom, Irma (Billi) Schab was the Treasurer as well as a councilwoman in Cuyahoga Heights for many years. And my dad, Stanley

"Red" Schab, played Santa for our village beginning in the 60's and continued until 1995; he passed away the following year from cancer. I started working part-time at the village hall under Mayor Louis Bacci during the summer of 1979 while still in high school and learned so much from my supervisors Ida Nobili and Laura Bacci. After graduating from Cuyahoga Heights High School in June of 1980, I worked as a secretary at several companies before coming back to the village hall from 1987-1989 to work for Mayor Contipelli as his secretary, and

then again in 2006-2007. Since 2008, I have served as Mayor Jack Bacci's administrative assistant. I enjoy the job and all the various tasks that come with it, and for those that know me—I take my job very seriously. With that being said, putting together the village's centennial celebration with our incredible staff and administration in 2018 was the most amazing event

I've ever been involved with. I will always relish the memories of that weekend; especially seeing so many residents that had moved away but came back to town to celebrate with us.

I've been a resident of the village almost my entire life (with the exception of a 9-year hiatus.) I've been married to my husband Ken since 2006, who has been a resident of the village his entire life. My son, Michael Cimperman is a Cuyahoga Heights School alumnus—Class of 2013 and now the fourth generation of the family to reside in Cuyahoga Heights, Michael is a wealth advisor and works at Stratos Wealth Partners in Chagrin Falls.

As most of you know, by walking past our house, we have a German Shephard, Justice—who will bark at anyone that is walking on the sidewalk; apparently, he thinks he owns it. When I'm not in the village, I love traveling, attending Cleveland sports activities, or hanging out with close friends."

From the desk of your CFO, Angel Meriwether

The village has successfully hosted 10 Annual Corn Roast events and we are looking forward to our 11th year on Saturday, October 7th.

The Corn Roast has become such a successful event in large because of our volunteer base that runs the food booths every year.

Did you know that all food ticket sales are 100% donated to school organizations.

We are happy to report that over \$35,000 has been donated over the past decade to groups such as Music Boosters, Athletic Boosters, CHS PTO, Cheerleaders, Volleyball, Cross Country, Boy Scouts, and Girl Scouts.

Please join us again this year for delicious food, treats and fun which directly benefit our school district organizations!

A Message from Your Police Department

Halloween Trick or Treat & Pedestrian Safety

Halloween is fast approaching, and with it comes an increase in pedestrian traffic around our village streets.

The month of October is National Pedestrian Safety Month. According to the National Highway Traffic Safety Administration, there were 7,388 pedestrians killed in traffic crashes across the country in 2021. That's an increase of 12.5% from 2020 and the highest total in the last 30 years.

To ensure traffic safety this fall season and all year around, here are some tips everyone should follow:

- Always walk on the sidewalk facing traffic. Walk on the sidewalk if there is one. If there is not one and you have to walk on the road, also walk facing traffic.
- Be safe. Be seen. Brightly colored clothing makes it easier for drivers to see you during the daytime. At night, use a flashlight or wear reflective material on your shoes, pants, or jacket so that car's lights reflect off you and back to the driver.
- Cross streets at corners or in crosswalks. Cross where pedestrians are expected and follow pedestrian signs and signals always watching for traffic to ensure you are visible.

For children and your adults participating in trick-or-treating this Halloween, here are more tips to follow as you dress up and head door-to-door later this month:

- H** - Hold a flashlight while trick-or-treating to help you see and others see you.
- A** - Always test makeup in a small area first. Remove it before bedtime.
- L** - Look both ways before crossing the street. Use crosswalks wherever possible.
- L** - Lower your risk for serious eye injury by not wearing decorative contact lenses.
- O** - Only walk on sidewalks whenever possible, or on the far edge of the road facing traffic.
- W** - Wear well-fitting masks, costumes, and shoes to avoid blocked vision, trips, and falls.
- E** - Eat only factory wrapped treats. Avoid eating homemade treats made by strangers.
- E** - Enter homes only if you are with a trusted adult. Never accept rides from strangers.
- N** - Never walk near open flames. Be sure to wear flame resistant costumes.

FOR ALL EMERGENCIES CALL 911

From the desk of your Fire Chief, Mike Suhy

Dear Residents,

Every year during the month of October, the Cuyahoga Heights Fire Department visits your home to pass out batteries for your smoke alarms and literature about fire safety.

If you are not at home during our Sunday visit please do not hesitate to call our non-emergency line at 216-641-6799.

We will be glad to answer any questions about fire safety or if needed, set up a time for a return visit.

Did you know that cooking fires are the leading cause of home fires and home fire injuries?
Cooking safety starts with YOU.

FIRE PREVENTION WEEK

Pay attention to fire prevention.

Cooking Safety

Cooking brings family and friends together, provides an outlet for creativity and can be relaxing. But did you know that cooking fires are the number one cause of home fires and home injuries? By following a few safety tips you can prevent these fires.

"COOK WITH CAUTION"

- Be on alert! If you are sleepy or have consumed alcohol don't use the stove or stovetop.
- Stay in the kitchen while you are frying, boiling, grilling, or broiling food. If you leave the kitchen for even a short period of time, turn off the stove.
- If you are simmering, baking, or roasting food, check it regularly, remain in the home while food is cooking, and use a timer to remind you that you are cooking.
- Keep anything that can catch fire — oven mitts, wooden utensils, food packaging, towels or curtains — away from your stovetop.

If you have a small (grease) cooking fire and decide to fight the fire...

- On the stovetop, smother the flames by sliding a lid over the pan and turning off the burner. Leave the pan covered until it is completely cooled.
- For an oven fire, turn off the heat and keep the door closed.

If you have any doubt about fighting a small fire...

- Just get out! When you leave, close the door behind you to help contain the fire.
- Call 9-1-1 or the local emergency number from outside the home.

Cooking and Kids

Have a "kid-free zone" of at least 3 feet (1 metre) around the stove and areas where hot food or drink is prepared or carried.

FACTS

- ❗ The leading cause of fires in the kitchen is unattended cooking.
- ❗ Most cooking fires in the home involve the kitchen stove.

FROM YOUR BUILDING DEPARTMENT

The fall season has arrived. Before the cold weather sets in and the snow starts to fall, we recommend completing some general exterior and interior property maintenance to keep your home safe and secure through the winter. Many of these recommendations are proactive, simple things you can check and correct before “OLD MAN WINTER” arrives.

Fall Interior Maintenance Tips:

- Change filters throughout your home such as in your furnace, air conditioner, stove vent, dryer and fans.
- Check faucets in the bathrooms, kitchens and laundry room for leaks and other repair needs. It is best to make faucet repairs now before winter, you may be able to avoid a more complicated repair if the pipe freezes and breaks.
- If you have a fireplace, examine it thoroughly. Ensure the damper is open to allow air to flow freely and check the handles and springs to make sure the flue is operating correctly. If used regularly, the chimney should be professionally inspected and cleaned.
- Drain and inspect the hot water tank for rust developing in the tank. If the tank is older and/or is rusting, it may be a good time to buy a newer more energy efficient and cost effective one.
- Check windows and doors to ensure the seal and caulk are in good condition.
- Check all your smoke detectors, make sure they are all working properly. All bedrooms and every floor of your home should have a smoke detector.

Fall Exterior Maintenance Tips:

- Check the roof, gutters and downspouts for any debris that may need to be removed. Check the flashings around your chimney and any other openings in the roof.
 - Clean up your yard: trim bushes, shrubs and trees. Clean up leaf debris and your flower beds.
 - Inspect your driveway, walkways and entryways. Fill or repair cracks before sealing.
 - Shut off and drain all faucets, hoses and lawn irrigation systems.
 - Check all windows and doors to make sure they are properly sealed
- If you have any questions regarding these maintenance tips or other home improvement projects, please give us a call at 216 641-7020.

Don't forget to take advantage of the George M. Suhy Grant Program and the Senior/ Disability Grant Program. If you have questions regarding the grant programs, please contact the building department Monday through Friday 8:00 am - 12:00 pm and 1:00 pm-4:30 pm

GOOD TO KNOW

Smoke Alarms

- Location – single and multi-station smoke alarms shall be installed
 1. In each bedroom
 2. Outside each separate sleeping area in the immediate vicinity of the bedrooms
 3. On each story, including basements and habitable attics, but not including crawl spaces and uninhabitable attics.
 4. Not less than 3 feet horizontally from the door or opening of a bathroom with a bathtub or shower.

From your Service Department

Garbage Pick Up — Recycling — Yard Waste

Our service department collects garbage every Monday morning beginning at 8:00 a.m. at no charge to its residents. They will come into your yard and take your garbage tote and recycling container to the curb; afterwards they will carry it back into your yard. Please note that if a holiday falls on a Monday, the service will commence on Tuesday.

Special Pick Up — Now Online!

If you need a special pick up for trash that is oversized, large amounts, or hazardous waste, you can now go online to be put on the special pick up list. Special pick up day is on Tuesday mornings, unless there is a holiday on Monday, at which time, the special pick up will be taken care of on Wednesday. You must submit your information by 4:00 p.m. on Monday to get on the list for Tuesday's pick up. Please visit www.cuyahogaheights.com at the top select 'Online Services' &

select the red 'Special Pick Up' tab. Please fill out your name, address, and all information regarding the items you would like to be picked up and where they are located. You will then get an email response when the request has been successfully submitted. **If you have any questions, please contact Vera at 216-641-3505.**

Charity Pick Up — Now Online!

Our service department will pick up any small usable item at your residence that you would like to donate to charity on the first Wednesday of each month. Small household items, clothes, etc., are collected and donated. No tax receipts are given for this service. Please visit

www.cuyahogaheights.com at the top select 'Online Services' & select the red 'Charity Pick Up' tab. Please enter your address and select from the drop down. Fill out your name, phone number, email address and all information regarding items you would like to donate and where items are located. This must be submitted prior to the first Wednesday of the month for this service. You will then get an email response when the request has been successfully submitted. **If you have any questions, please contact Vera at 216-641-3505.**

Dumpsters — Now Online!

Residents may rent a village dumpster for personal use at their home by paying \$30.00 to the village for each dumpster load. Dumpsters can be used for yard waste, construction debris or miscellaneous household items NOT including carpet, tires, or hazardous waste. Please do not mix materials. Please visit www.cuyahogaheights.com at the top select 'Online Services' & select the red 'Dumpster Rental' tab. Select your address from the drop down. Fill in your name, phone number & email address. Select a requested date for dumpster to be delivered & where you would like the dumpster to be placed. There is now the option to pay the fee online via a link sent to your email. You also can drop off cash or check payments to village hall. Use of the dumpster is for a maximum of two (2) weeks. After two (2) weeks, the dumpster will be picked up from the resident's home. If the resident needs to use it again, he/she will go back on the waiting list. Please note that the disposal of debris created from outside the village is prohibited.

Pest and Insect Control

Pest control services are available by contacting our service department at 216-641-3505 with your name, address, phone number, and the nature of your problem. We will then reach out to our pest control vendor. This service is free except for termites, bed bugs, and wildlife. The village also sprays the outside of your home in the spring to hinder any unwanted pests from entering your home.

From your Service Department (continued)

Meals on Wheels (By Lori's Custom Catering) – Now Online!

This service is available to any village resident that is 60 years of age or older. A lunch time meal will be delivered to your home daily, Monday through Friday, by our service department. This is an affordable option, the cost is \$25.00 per week, which is only \$5.00 per day (you must sign-up for a full week.) To receive meals for a given week, payment must be made by the Thursday prior. If you have any questions regarding this service, please contact Vera Heinzman at the service department at 216-641-3505 or sd@cuyahogaheights.com.

Tree Trimming/Removal Service – Now Online!

The village will provide a professional tree trimmer to remove or trim a tree on a resident's property.

Please note that tree trimming/removal is limited to two (2) trims per year and one (1) removal.

If a crane is needed for tree removal, it is the responsibility of the homeowner to pay for the service.

In addition, if a stump needs ground, it is the responsibility of the homeowner to pay for this service,

whether the homeowner uses the tree company that the Village has a contract with or another tree company. Please visit online at www.cuyahogaheights.com under 'Online Services' & select the red 'Tree Trimming' tab.

Leaf Pick Up

Fall is upon us, and the beautiful colored leaves will soon be crunching under our feet. We would like to remind our residents to rake their leaves to the tree lawn; our service department will then dispose of them for you.

Snow Removal Program *Residential Snow Removal Program

- All village roadways will be plowed first and maintained prior to any driveways being plowed.
- Once the service director feels that the roadways and municipal buildings have been maintained, the driveways of our senior citizens will be plowed (using the same criteria that applies to our grass cutting service).
- Afterwards, taking into consideration manpower, time and safety issues, the Village will help residents with their driveways in the event of a storm that produces more than 2-4 inches of snow at the resident's request.
- All residents must have driveway markers in place in order to allow the service department to plow their driveway. The village will provide markers and place them for all seniors who qualify for the "grass cutting program." Residents with shorter driveways need 4 markers in place, and long driveways must have 6 markers. They need to be placed at the beginning, middle (if long drive), and at the end of your drive. If you wish to purchase markers from the Village for \$1 each, please stop at the service department. Should you have any questions please contact Service Director, Dave Sammons at 216-641-3505.
- Please note that residents are responsible for cleaning their driveway aprons, as it is difficult to plow them over again after the streets are plowed. Each homeowner and/or resident must have a waiver of liability on file at our service department. If you already have filled out a waiver of liability and there have been no changes to it, there will be no need to fill out a new one. If you are unsure if you have one on file, please contact Vera Heinzman at 216-641-3505 or sd@cuyahogaheights.com.

FROM YOUR REC DEPT

SPORTS

Our flag fall soccer, flag football and youth cheerleading seasons are underway.

Good luck to all those participating this season!

Our registration period for basketball comes to an end on October 1st.

Late registration inquiries can be made to Vera Heinzman at chvrec@cuyahogaheights.com. It will be a few weeks before teams are finalized with our neighboring communities.

CEDAR POINT 2024 SEASON PASS REIMBURSEMENT

The Village of Cuyahoga Heights will reimburse \$75 to any resident who purchases or has already purchased a Cedar Point Season Pass for the 2024 season. Residents must show a valid 2024 season pass or receipt of payment (with pass holder name listed) and proof of residency for reimbursement.

Reimbursement will NOT be given for anyone not currently residing in Cuyahoga Heights. Please email or bring your valid 2024 season pass or receipt of payment (must show passholder name) and proof of residency to Village Hall for verification. Reimbursement will be issued within three weeks of submission acceptance. Reimbursement is \$75 regardless of pass type purchased. Contact Vera at 216-641-2702 or chvrec@cuyahogaheights.com with any questions.

YOUTH TRIPS

With the return to school and the Corn Roast, youth trips have been on a slight hold. Have no fear, we are planning an outing the week of Thanksgiving break and more information will be out soon!

If you have any questions or need further information, please feel free to send me an email at chvrec@cuyahogaheights.com or contact me at 216-641-2702.
