From Mayor Bacci's Desk

As we close out 2025—we see that without an end, there would be no new year, no new start, we should reflect and pause to remember our journey, appreciate lessons learned, and set intentions for what is to come. We all should appreciate the things in life that most of us take for granted—our health, our family, our jobs, our community. Faith makes all things possible, hope makes all things work, and love makes all things beautiful. At this time, I would like to wish you and yours a very merry and blessed Christmas.

Projects Around Town

Hillside Redevelopment

After months of delays, construction started up again at the former site of the Hillside property. Our team has worked very hard, and for a very long time, in getting this property developed. I want to give special thanks to the Ohio EPA and Dottore Companies LLC for working with us to resolve some issues at the site so that the project was able to move forward. We are very excited about welcoming Southern Glazer's Wine & Spirits to our village.

From Mayor Bacci's Desk (continued)

Klima Gardens

As you may have seen, the temporary construction fence was installed around the perimeter, the facility was cleaned out and items placed in temporary storage, and the entire roof was removed during demolition. We are excited to see this much needed facelift to the existing structure to make it more user-friendly and accessible year-round. As we have stated before, these improvements will keep the facility vibrant for residents and guests alike for years to come. Below is a rendering of the new roofline and other upgrades to the facility. We hope to have it completed and ready for use by late spring. If anything changes, we will keep our residents updated.

From Mayor Bacci's Desk (continued)

Toscana Hall

The exterior work at Toscana is almost complete with an updated roof, painting, and windows. However, we had a little setback with our parking lot due to the size and age of the water and existing sewer lines. With an abundance of caution, we corrected these issues before the new pavement was installed. Thank you to all the adjacent neighbors for their patience and understanding during all the concrete work. Demo of the inside of the building was completed earlier in the year, and we just recently finalized the interior layout. As you can see by the rendering below, (A) the facility includes an outside patio; (B) sports area which will include, but not limited to pickleball, corn hole, shuffleboard, yoga, etc.; (C) gaming area which will include, but not limited to foosball, golf simulator, air hockey, etc.; (D) social area where young and old folks alike can share space and have a cup of coffee, sports drink or some fun snacks; (E) concession and reception area. Our plans for the facility is to be used as a clean—simplistic recreational complex for our residents and the community to enjoy. We hope to have this project completed before spring.

Christmas Holiday

Holiday Gift/Food Drive

Our office has been assisting in a holiday gift and food drive for over 15 years that helps out some of our residents here in town during Christmas. Anyone wishing to donate non-perishable food items can do so by leaving your items on your front steps by 10:00 a.m. on Sunday, December 21. Several of our service department employees will pick up the items from your doorstep. For anyone wishing to donate to our cause, please call our office. Thank you in advance and we truly appreciate your kindness and generosity during the Christmas season.

Santa Claus is Coming to Cuyahoga Heights

As we noted in last month's newsletter, Santa and Mrs. Claus will be visiting Bacci Park on Sunday, December 21 from 11:00 a.m.-12:30 p.m. This event is for our resident children and grandchildren between the ages of 0-12. Dress appropriately for the weather and we'll have a fire going to keep warm, as well as serving hot cocoa and cookies. Pictures will be taken and each child will receive a stocking. Deadline to register for the event is Friday, December 5. Please contact the village hall during regular business hours at (216) 641-7020 or email Lee Ann at my office at l.schoeffler@cuyahogaheights.gov. We will need to know the name(s) of your children/grandchildren and their ages. If it's snowing, kids should bring their sleds so they can sled ride on the hill behind the pond pavilion after visiting Santa. Or, if the pond is frozen, kids can enjoy skating on the pond.

Christmas Decorating Contest

Turn your lights on at 5:00 p.m. on Sunday, December 21 for our annual Christmas lighting contest. The judges will be going around town and awarding cash prizes to 1st, 2nd, and 3rd place homes. Happy decorating and good luck!

Offices Closed

The village hall and service department will be closed on Wednesday, December 24 and Thursday, December 25.

Senior Citizens

Chair Exercise

Parks & Recreation Director Wheaton's weekly chair exercise program for our residents is going very well, and it's great to see so many participating in this free event. The program is offered every Wednesday at 10:00 a.m. in the upstairs auditorium at the village hall.

The Cuyahoga Heights High School is hosting an event for the senior citizens of our school district communities. On Wednesday, December 3 they will be holding a winter concert and luncheon from 11:00 a.m.-12:30 p.m. at the high school auditorium and north gym. We want to make sure that all our senior citizens are aware of this event. If you haven't signed up, contact the school at (216) 429-5707.

From Mayor Bacci's Desk (continued)

West Side Market

Don't forget that we will be starting our monthly trips to the West Side Market on the first Saturday of the month beginning with Saturday, December 6. Residents will be picked up at their home starting at 7:45 a.m. (the market opens at 8:00 a.m.) and shoppers will have a couple of hours to shop. We will then depart the market around 10:15 a.m. to bring you back to your residence. Residents must register by calling the Village Hall no later than 3:00 p.m. on Friday, the day before the trip. Mark your calendar for future West Side Market trips: January 3; February 7; March 7; April 4 and May 2. Please note that children 15 years of age and younger must be accompanied by an adult to ride the bus and there is a \$5.00 non-resident bus fee.

Congratulations

Wedding Wishes

Madison Spicer (CHHS Class of 2016), daughter of village resident Erin Harris and granddaughter of village resident Cheryl Harris, recently married Joseph Stefanko (CHHS Class of 2017) on July 18, 2025 in Niagara-on-the-Lake, Ontario, Canada. Both graduated from Miami University in 2020. Madison went on to obtain her Master's of Nursing degree while Joseph graduated with his Juris Doctor, both at the University of Toledo. Madison is currently obtaining her Nurse Practitioner license while working as an operating room nurse at Cleveland Clinic Sports Health. Joseph is a transportation attorney at Amundsen Davis LLC in downtown Cleveland. Pictured are the newlyweds during their wedding.

Sports Achievements

We are always very proud of our village resident students at CHHS and would like to recognize the following athletes from the fall season:

Volleyball - All CVC-Metro Division

1st Team: Alexandria Williams

2nd Team: Camryn Barnes

Honorable Mention: Alexis Unger

Football - All CVC-Metro Division

1st Team: Ben Armbrust, James Henley and Zander Meriwether

Football - NE Lakes All District

Honorable Mention: Ben Armbrust, James Henley and Zander Meriwether

December Birthdays

Birthday wishes to employees: (8) Jesse James, (15) Diane Simmons, (16) Damon Schreiber and (24) Braden Susnik.

Birthday wishes to John Reiger who turns "70" on December 28th. If everyone knew you as well as I do, this is more than a milestone birthday...lol. Happy birthday J. Ringo! Pictured with John is Snowflake and the Grinch during our 2023 Santa visit at Bacci Park.

*From everyone at the village hall,
we extend our warmest wishes for a
joyful holiday season to all our
residents, neighbors and friends.*

A MESSAGE FROM POLICE CHIEF, BRIAN STURGILL

With the upcoming holiday season many residents will be doing their holiday shopping online. While a convenient way to shop, the associated home deliveries create an opportunity for thieves.

"Porch Theft" can be prevented through a combination of simple delivery adjustments, community cooperation, and smart home technology. The key strategy is to ensure packages are not left unattended and are out of sight from the street. Please remember the following tips to protect your packages.

Delivery Management

- Track your packages: Use carrier apps and websites to monitor the status of your deliveries in real time and retrieve them as soon as they arrive.
- Schedule deliveries: If possible, arrange deliveries for a time when you know you will be home.
- Require a signature: For valuable items, opt for a signature upon delivery to ensure the package is handed directly to you or another authorized recipient.
- Provide specific instructions: Use the delivery notes feature to ask drivers to place the package in a less visible spot, such as behind a large planter, a side gate, or a back door.

Ship To Alternate Secure Locations

- Workplace: If your employer allows, have packages delivered to your office.
- Trusted person: Ask a neighbor, friend, or family member who is home during the day to accept deliveries for you.
- Carrier pickup points: Utilize services from FedEx, UPS, and Amazon (such as Amazon Lockers) that hold packages at secure, local facilities (e.g., grocery stores, post offices, or carrier stores) for you to pick up at your convenience.
- P.O. box: Consider renting a post office box for a secure receiving location for all mail and small parcels.

Home Security Solutions

- Install a security camera/video doorbell: Visible security cameras or video doorbells act as a strong deterrent and provide evidence if theft occurs. Some advanced cameras offer AI-powered motion detection that notifies you specifically when a package has arrived or is moved.
- Use a lockable package box: Invest in a secure, lockable container that can be anchored to your porch for delivery drivers to place packages inside.
- Install motion-activated lighting: Bright, motion-sensor lights can startle potential thieves and draw attention to your porch.
- Leverage smart home technology: Services like Amazon Key allow a delivery driver to securely place packages inside your garage or home using a smart lock and camera system.

Community Involvement

- Neighbor's helping neighbors: Coordinate with neighbors through community apps or groups to keep an eye on each other's deliveries and report suspicious activity to the local authorities.

The entire staff of the
Cuyahoga Heights Police Department
would like to wish all a very
Merry Christmas and a
Safe and Happy New Year!!!!

A Message From Your Fire Chief, Mike Suhy

Building Connections Over Breakfast

On Sunday, October 26, 2025, the Cuyahoga Heights Fire Department and Local 702 welcomed residents, families, and retirees to our pancake breakfast, the first of many community events designed to bring our neighbors together. The morning was filled with great food, friendly faces, and plenty of conversation. It was especially meaningful to see so many familiar faces from years past, as retired members of CHFD joined current firefighters to share stories and reconnect.

This event marked an exciting new chapter for the department as we introduced several of our newest hires to the community. The breakfast provided a relaxed, welcoming opportunity for residents to meet the firefighters who serve them each day and for our team to learn more about the people and families we're proud to protect. We look forward to hosting more community events in the months ahead, each one another opportunity to strengthen the bond between CHFD and the residents of Cuyahoga Heights.

Wishing our residents, families, and friends a joyful, safe and happy Holiday Season, from all of us at the Cuyahoga Heights Fire Department.

Thank you for your continued support throughout the year, it truly means so much to our team. We look forward to seeing everyone in 2026 as we continue building connections, hosting community events, and serving the Village of Cuyahoga Heights with pride.

As the Christmas holiday quickly approaches, safety remains a top priority. Here are a few tips to keep in mind for your home:

Live Christmas Trees

- Choose a tree with fresh, green needles that do not fall off when touched.
- Before placing your tree in a stand, cut 2-3" off from base of trunk.
- Make sure your tree is positioned at least three feet away from any heat source, like fireplaces, space heaters, candles, heat vents or lights.
- Make sure your tree is not blocking egress or an exit.
- Be sure to add water to your tree as needed.
- Always turn your Christmas lights off when going to bed or when you leave your house.
- Be sure to remove the tree when it begins dropping needles.
- Never put tree branches or needles in the fireplace.
- Dried out trees are a fire hazard and should not be left in the home or garage.

Candles

- Never leave burning candles unattended.
- When using candles, make sure they are placed in a sturdy holder.
- Be sure to extinguish candles after each use.
- Keep children away from matches, lighters and candles.
- Never put candles on or near a Christmas tree.
- Be sure to always put your candles out before leaving or bedtime.

Finally, as in every season, have smoke alarms installed on every floor level and all bedrooms in your home. We also recommend that a carbon monoxide detector be placed outside of bedrooms and in the basement mechanical room. Make sure you test your detectors monthly and keep them clean and always equipped with fresh batteries. Know when and how to call for help and remember to know your home's escape plan. Proper smoke detectors save lives.

DID YOU KNOW?

Habitable rooms above the garage shall not have less than 5/8 of an inch Type X gypsum board or equivalent.

The George M. Suhy Grant Program

The process is now done online through our website at www.cuyahogaheights.gov, click on the online services tab at the top of the page and scroll down to Suhy grant application. This is where you will start your application for your grant. Please follow the steps listed below:

Please note: If you do not have access to a computer, please call the building department and we can schedule a time when you can come into the village hall, and we will assist you in filling the application out on a village computer. Please call 216-641-7020 to schedule with the building department Monday through Friday from 8:00 a.m.-12:00 p.m. and 1:00-4:30 p.m.

Village Wide Services

Garbage Pick Up/ Recycling/ Yard Waste

Our service department collects garbage every Monday morning beginning at 8:00 a.m. at no charge to its residents. They will come into your yard and take your garbage tote and recycling container to the curb; afterwards they will carry it back into your yard. Please note that if a holiday falls on a Monday; the service will commence on Tuesday.

Newspaper/ Cardboard Recycling

Do your part in helping the environment; recycle cardboard and newspaper. Our village has a recycling container located at Bacci Park in the rear of the back parking lot. The container is strictly for cardboard and newspaper. Please make sure to break down your cardboard boxes before placing them in the container. Stop on down and do your part in recycling. If you have a large amount and are unable to take it to the container, please call the service department during normal business hours prior to Tuesday mornings; we will put it on our "special pick up" list.

Special Pick Up—NOW ONLINE!

If you need a special pick up for trash that is oversized, large amounts, or hazardous waste, you can now go online to be put on the special pick up list. Special pick up day is on Tuesday mornings, unless there is a holiday on Monday, at which time, the special pick up will be taken care of on Wednesday. You must submit your information by 4:00 p.m. on Monday to get on the list for Tuesday's pick up. Please visit www.cuyahogaheights.gov at the top select 'Online Services' & select the red 'Special Pick Up' tab. Please fill out your name, address, and all information regarding items you would like to be picked up and where they are located. You will then get an email response when the request has been successfully submitted. If you have any questions, please contact Vera at 216-641-3505.

Charity Pick Up—NOW ONLINE!

Our service department will pick up any small usable item at your residence that you would like to donate to charity on the first Wednesday of each month. Small household items, clothes, etc., are collected and donated. No tax receipts are given for this service. Please visit www.cuyahogaheights.gov at the top select 'Online Services' & select the red 'Charity Pick Up' tab. Please enter your address and select from the drop down. Fill out your name, phone number, email address and all information regarding items you would like to donate and where items are located. This must be submitted prior to the first Wednesday of the month for this service. You will then get an email response when the request has been successfully submitted. If you have any questions, please contact Vera at 216-641-3505.

Dumpster Rentals—NOW ONLINE!

Residents may rent a village dumpster for personal use at their home by paying \$30.00 to the village for each dumpster load. Dumpsters can be used for yard waste, construction debris or miscellaneous household items NOT including carpet, tires, or hazardous waste. Please do not mix materials. Please visit www.cuyahogaheights.gov at the top select 'Online Services' & select the red 'Dumpster Rental' tab. Provide your information and select a preferred delivery date for the dumpster & specify the location for placement. You can now conveniently pay the fee online through a link that will be sent to your email. You also can drop off cash or check payments at village hall. Use of the dumpster is for a maximum of two (2) weeks. After two (2) weeks, the dumpster will be picked up from the resident's home. If the resident needs to use it again, he/she will go back on the waiting list. Please note that the disposal of debris created from outside the village is prohibited.

Village Wide Services

Table & Chair Rental—NOW ONLINE!

A limited number of tables and chairs are available for use by residents having parties at their residence, free of charge. To reserve your tables and chairs, simply head to the top of our village website homepage, click on 'Online Services', and then select 'Table & Chair Rental'. From there, you can fill out the application to secure your rental and schedule a pick-up time.

Pest and Insect Control Service—NOW ONLINE!

Pest control services can be easily accessed through our village website! Simply navigate to the top of the homepage, select 'Online Services', and then choose 'Pest & Insect Control'. From there, you can complete the application. Once we receive your request, the service department will coordinate with our pest control vendor. This service is complimentary, with the exception of termites, bed bugs, and wildlife. Additionally, the village conducts exterior spraying of your home in the spring to help prevent unwanted pests from entering. As always, you can also reach out to the service department to report any issues by calling 216-641-3505.

Meals on Wheels (By Lori's Custom Catering)—NOW ONLINE!

Visit www.cuyahogaheights.com at the top select 'Online Services' & select the red 'Meals On Wheels' tab to fill out an application. This service is available to any village resident that is 60 years of age or older. A lunchtime meal will be delivered to your home daily, Monday through Friday, by our service department. This is an affordable option, the cost is \$25.00 per week, which is only \$5.00 per day (you must sign-up up for a full week.) To receive meals for a given week, payment must be made by the Thursday prior. If you have any questions regarding this service, please contact Vera at the service department at 216-641-3505 or sd@cuyahogaheights.gov.

Leaf Pick Up

With the colorful leaves beginning to fall, we'd like to remind residents to rake leaves to the tree lawn for pickup. The service department will handle disposal from there.

RESIDENTIAL SNOW REMOVAL PROGRAM

As winter approaches, please take note of the village's snow removal procedures:

Roadways First: All village streets will be plowed and maintained before any driveways are cleared.

Senior Driveways: Once the service director determines that village roads and municipal properties are properly maintained, the driveways of qualifying senior residents will be plowed—using the same eligibility criteria as our grass cutting program.

Additional Assistance: Depending on manpower, time, and safety considerations, the village may assist other residents with driveway plowing during storms producing more than 2–4 inches of snow, upon request.

Driveway Markers: Driveway markers are required for all residents wishing to have their driveways plowed. The village provides and installs markers for seniors enrolled in the grass cutting program. Shorter driveways require 4 markers, while longer driveways need 6—placed at the beginning, middle (for long drives), and end. Markers are available for purchase at the service department for \$1 each.

Aprons & Liability Waivers: Residents are responsible for clearing their driveway aprons, as these are difficult to re-plow after the streets are done. ***A waiver of liability must be on file with the service department before any driveway can be plowed.*** If you've previously submitted one and your information hasn't changed, you do not need to complete a new form.

If you're unsure whether you have a waiver on file or have any questions, please contact Vera at the Service Department 216-641-3505.
