From Mayor Bacci's Desk

As we begin the New Year, I want to express my gratitude and appreciation to village council, as well as to the men and women who work for the Village of Cuyahoga Heights.

And I want to thank God, for all of our successes in this small but unique village that we call home. We are truly blessed to work together in providing a safe, well maintained and vibrant community—and I look forward to continuing this positive trend in 2026. With that being said, now is the time to reflect, become more positive, spend less time on the negativity—because as our parents who are no longer with us today once said “life is too short.” So enjoy each day, love family, appreciate friends, and be the best you can be. On behalf of myself, our council members and staff, we wish you and your loved ones a very happy, healthy, and prosperous New Year.

VERY IMPORTANT—PLEASE READ!

Klima Gardens

As you are aware, Klima Gardens is under construction. Good Lord willing, we anticipate it to be completed before Memorial Day. However, with an abundance of caution, we are postponing bookings for our village residents until March 2. Again, we do not see any issues, but we want to be very cautious, as we do not want to cause any problems for those that need to use the facility for this season. We will keep our residents updated with information through our newsletter and social media as the remodel progresses. Any questions or concerns, please feel free to contact my office at any time.

Christmas Blessings

I wanted to take a moment and thank those who generously gave and helped out several families in town by providing them with a special Christmas. To the employees of Charter Steel, JSI Janitorial and MilliporeSigma. To our residents who graciously donated food during our food drive, as well as to those who donated various gift cards. And finally, to the Cuyahoga Heights Police Department for taking some of our children to Walmart for their “Shop with a Cop Program.” Thank you again... your kindness and generosity to others is a beautiful gesture in knowing that there is still good out there in the world.

Snow Ban

Please do not park your vehicles on the village streets when two or more inches of snow fall. This allows our service department to properly clear the snow. Thank you for your cooperation and drive safely.

From Mayor Bacci's Desk (continued)

Senior Citizens

Just a friendly reminder that our senior citizens organization is open to village residents who are 55 years of age and older. Their meetings are held on the second Tuesday of each month. In addition to meetings, the organization has holiday parties, dinners, bus trips and much, much more. For additional information on becoming a member, please reach out to Noel Centa, President of the Cuyahoga Heights Senior Citizens Organization at 216-509-5278.

Transportation to Doctor Appointments

Our transportation program continues to be one of the most utilized services our village provides. This service is available for our senior citizens (60+ years of age) who are otherwise unable to get to their doctor's appointment. If any senior citizen has a doctor's visit and in need of transportation, please contact Vera Heinzman at the service department one week prior to the scheduled doctor's visit at 216-641-2702.

Chair Exercising

Parks & Recreation Director Wheaton's weekly chair exercise program has been going so well that they are adding another day to the program. It will be offered on Mondays and Wednesdays from 10:00-10:30 a.m. in the auditorium of the village hall. We will officially kick off the new year's program beginning on Wednesday, January 7, followed by Monday, January 12 and continuing every Monday and Wednesday thereafter unless a holiday falls on that particular day. Please note that we will have the back door ramp open during that time so our seniors can take the elevator, instead of using the stairs to get to the auditorium.

Musical

The Cuyahoga Heights High School is hosting an event for the senior citizens of our school district communities. On Thursday, March 12 they will be holding a musical matinee from 12:30-1:30 p.m. in the high school auditorium. We hope that many of our seniors will show their support and attend the event.

Programs

Seven Hills Recreation

Start the New Year off right—to a healthy way of life and join the Seven Hills Recreation Center. Since 2018, our village entered into an agreement with the City of Seven Hills so that our residents could take advantage of their recreation facility. The facility includes features such as a suspended walking track, natatorium, aerobics studio, fitness area with nautilus, cardio and free weights, two gymnasiums, and family changing areas. Our village will pay 100% of the rate for bona fide village residents that are 62 years of age and older, U.S. Veterans, and disabled residents. In addition, the village will pay 50% of the rate for all other bona fide village residents desiring to secure a membership as outlined in our price sheet.

From Mayor Bacci's Desk (continued)

In order to purchase a membership, please contact the village hall during normal business hours. Each resident/family must show proof that he/she is a bona fide resident of the Village of Cuyahoga Heights. At that time, you will also need to pay your 50% of the membership (cash or check only) for those not covered under the 100% rate. A copy of the approved application, along with rules and regulations will then be given to the resident. It is then up to the resident to take the approved application to the Seven Hills Recreation Center so that you can receive your official pass. We hope our residents continue to take advantage of this special offer, as well as keeping healthy and fit.

Heritage Home

Once again, our administration is pleased to announce that we have renewed our contract with the Heritage Home program for 2026. If your home is 50 years old or older, a one-, two-, or three-family home, you can receive technical assistance and may qualify for a low-interest rehabilitation loan. The loan can be used for numerous interior and exterior projects that can make your home more comfortable while preserving architectural character. For additional information, please contact a Heritage staff member at 216-426-3116 or visit their website at www.heritagehomeprogram.org.

Bus Trips

West Side Market

Trips to the market are scheduled for the first Saturday of each month, unless there is a holiday, then the trip is scheduled for the following week: January 3; February 7; March 7; April 11 and May 2. Trips will be suspended for the summer months and commence in September. Our village van will pick up residents at their home beginning at 7:45 a.m. (the market opens at 8:00 a.m.) and shoppers will have a couple of hours to shop. The van will then depart the market around 10:15 a.m. to bring you back to your residence. Residents must register by calling the village hall no later than 3:00 p.m. on Friday, the day before the trip. Please note that children 15 years of age and younger must be accompanied by an adult and there is a \$5.00 non-resident fee.

Birthdays

January birthday wishes to employees: (3) Nicholas Mroczynski, (9) Councilman Renato Contipelli; (16) Jimmy Henley; (19) Brian Fragua, Peter Mannarino; and (30) David Martin.

Offices Closed for the Holiday

The village hall and service department will be closed on Thursday, January 1.

From the office of your CFO, Angel Meriwether

As we close out the year and look ahead to a new one, the Fiscal Office remains focused on carefully monitoring revenues, managing expenses, and ensuring a smooth transition into the upcoming budget cycle.

Village revenue at the end of November

Throughout the year, funding has supported several key initiatives that strengthen our community, including:

-  Ongoing street resurfacing and infrastructure improvements
-  Enhancements to parks and recreation facilities that support our residents year-round

As we welcome the New Year, the Fiscal Office extends its appreciation for the continued partnership and engagement of our community. We look forward to building on this year's progress and advancing initiatives that promote stability, growth, and quality of life for all.

WINTER DRIVING SAFETY TIPS

PREPARE YOUR VEHICLE FOR SAFETY

Is your car ready for winter travel? It's not too late to winterize your car. Check out these car care tips to prepare you for winter driving:

- Check your tires and replace them with all-weather or snow tires, if necessary.
- Keep your gas tank full to prevent ice from getting in the tank and fuel lines.
- Remember to completely defrost or scrape all windows before driving to prevent vision obstructions. Don't forget to do the same for side-view mirrors, headlights and taillights!
- Replace windshield wiper blades.
- Use a wintertime fluid in your windshield washer.
- Make an emergency kit to keep in your car. Include water, snacks, first-aid kit, blankets, flashlight, extra batteries, portable cell phone charger, jumper cables and emergency flares.

PREPARE TO DRIVE SAFELY

- Avoid using cruise control in wintry conditions
- Steer in the direction of a skid, so when your wheels regain traction, you don't have to overcorrect to stay in your lane.
- Accelerate and decelerate slowly.
- Increase following distance to 10 seconds.
- If possible, don't stop when traveling uphill.
- If visibility is severely limited due to a whiteout, pull off the road to a safe place and do not drive until conditions improve. Avoid pulling off onto the shoulder unless it is an absolute emergency. Limited visibility means other vehicles can't see yours on the shoulder.
- Give space to all ODOT snowplows.

KEEP A CHARGED PHONE WITH YOU

Your cell phone can help with any emergency you may come across. It's important to keep a charged cell phone with you, so you can call for help if anything were to happen!

On Saturday, December 13, 2025 members of Cuyahoga Heights Police Department participated in the “Shop-With-A-Cop” program. The “Shop-With-A-Cop” program is organized and sponsored by the Fraternal Order of Police (FOP) - George Murray Lodge #67. Every year members of the FOP raise funds in order to take local children on a holiday shopping spree. The children transported via a large police procession to Walmart in Macedonia for the shopping chaos. After the shopping was completed, the Cuyahoga Heights officers and children returned to the Cuyahoga Heights Police Station for pizza and treats.

This year Cuyahoga Heights police officers raised \$3,000 and as a result were able to take seventeen village residents shopping.

Over 100 police officers and volunteers from 16 local departments were on hand to make the event a success. In total, over \$35,000 were raised! This was the 30th year of the FOP “Shop-With-A-Cop” program.

The Cuyahoga Heights Police Department would like to thank the following donors who went “above and beyond”!

**Cuyahoga Heights Senior Citizens Howmet Aerospace
Mr. Don Giancursio**

I would also like to thank the following officers and volunteers who took the time to participate in the shopping spree:

**Dep. Chief Ken Schoeffler
Lt. Ted Mackiewicz
Ptl. Tyler Selig
Dispatcher Melissa Zemko
Dispatcher Megan Gallagher
Mr. Dave Palucki
GHMC Deputy Clerk of Court Danita Jimenez
Mrs. Lee Ann Schoeffler**

STAY SAFE!

**Respectfully,
Brian D. Sturgill

SHOP With A COP

A Message From Fire Chief, Mike Suhy

CHFD firefighters took part in a joint training exercise with the SERT Technical Rescue Team and Howmet's Emergency Response Team, strengthening coordination between industrial and municipal emergency responders.

The training focused on confined-space rescue scenarios, giving participants the opportunity to practice advanced rope systems, patient packaging, and critical communication procedures in a realistic industrial setting. Howmet's complex facility layout provided an ideal environment to simulate the types of emergencies crews may face on challenging rescue calls.

Working alongside SERT and Howmet's ERT, CHFD members emphasized teamwork, cross-agency familiarity, and shared commitment to safety. All teams noted the importance of collaborative drills in preparing responders for low-frequency, high-risk incidents.

The exercise highlights CHFD's continued dedication to professional development and strengthening partnerships that enhance community and workplace safety.

Better Business Bureau® Senior Awareness Initiative

How to recover from a scam

Most of the time, scammers are after one of two things: they either try to steal your money now, or they try to steal your identity now to steal your money later. As part of our mission, [Better Business Bureau®](#) (BBB®) is committed to educating consumers and businesses, whether through proactive guidance or after trust has been broken.

So, what do you do if you've been the victim of a scam? The most important step is to take care of yourself. Once you've done that, please report the scam to the [BBB Scam Tracker](#)SM to help warn others and to provide additional information that may be useful to law enforcement. Additionally, take the steps below to help recover from stolen identity, financial loss, or if you're in contact with a fraudster.

Steps to take if identity is stolen:

- Put a fraud alert on your credit reports and consider freezing your credit. This will prevent thieves from opening additional lines of credit in your name and causing additional financial stress.
- Request a free credit report to make sure that existing lines of credit haven't been compromised.
- Follow the guidelines on [IdentityTheft.gov](#) for additional recovery strategies. This free resource provided by the Federal Trade Commission will assist you in taking the necessary next steps.
- Monitor your online accounts. Whether that be banking, credit card, or app payment services, check weekly to ensure you recognize all of the charges.
- Change your password regularly and don't use the same password for multiple accounts.

Steps to take if money is stolen:

- If you used a credit card, contact the credit card company using the number on the back of your card and dispute the charges.
- If you used a debit card, contact the banking institution immediately to report the loss. Call the number on the back of your card.
- If you used a third-party app, contact them for instructions on the next steps.

Steps to take if talking to a scammer:

- If you are 'chatting' with a scammer online, cease the conversation. The more the conversation continues, the more they will persuade you to give up personal information or payment.
- If you receive a phone call and are unsure if it's from a reputable source, hang up and research the business's phone number yourself.
- Stop and think. Scammers often use terminology like "this is an urgent message" or "if you do not act quickly, you will have consequences," and similar phrases.
- Don't interact. If you answer the phone or try to engage with the scammer, it only confirms that they've reached a real person. Even if you request to be put on their do-not-call list, they will still call.

If you've been the victim of a scam, report it to the [BBB Scam Tracker](#). Your report helps us build consumer awareness and reduce the effectiveness of scammers' favorite tactics. Have additional questions? Reach out to your BBB at **216.241.7678** or info@cleveland.bbb.org.
