

From your Chief Financial Officer: Angel Meriwether

Following our 14th Annual Corn Roast, we are proud to share that the Village of Cuyahoga Heights has now donated over \$63,000 to school district groups through the years! This milestone reflects the generosity of our school community and the continued success of an event that brings people together.

The Corn Roast would not be possible without the incredible support of our dedicated volunteers. We would like to recognize and thank this year's participating groups: Music Boosters, Pack 28, CHS PTO, Cheerleaders, Cross Country, Drumline and the Junior Class. Your time, hard work, and commitment make a meaningful difference in our community.

Thank you to the mayor, council members, village employees, residents, volunteers, and school staff who make the Corn Roast such a special annual tradition. We look forward to continuing this tradition for many years to come!
