# From Mayor Bacci's Desk

I wanted to start off by thanking all those who attended our corn roast. We had a fabulous turnout, beautiful fall weather, and we ran out of food (except for corn) which was a first! Our staff went above and beyond to make this event happen...from the initial planning, to the set up and the event itself. I had so many individuals coming up to me, and complimenting us on the entire event! With that being said, I want to thank our village hall staff, service, police and fire personnel, our elected officials, and all the countless volunteers who helped out. We could never pull off an event like this without all these individuals. We look forward to next year's corn roast which will take place on Saturday, October 2, 2027.

## **General Election**

Don't forget that Tuesday, November 3 is the General Election. Polls will be open in the Ralph Contipelli Civic Center (lower level) of the village hall from 6:30 a.m. until 7:30 p.m. If you need additional information, you can contact the Board of Elections at (216) 443-8683 or you can go online at [boe.cuyahogacounty.gov](http://boe.cuyahogacounty.gov).

## **Veterans Day**

November 11 is Veterans Day, a day to honor our military veterans for their service to our country. It's a day to pause and reflect on the profound courage of the men and women who have worn the nation's uniform. It is a quiet acknowledgment that the freedoms we experience each day are anchored in the selfless service, discipline, and quiet sacrifice of others. Honoring them with dignity means looking past symbols and ceremonies to recognize the real human stories behind the service—treating every veteran with the deep respect, care, and enduring gratitude they have truly earned. At this time, I would like to thank and acknowledge the following residents who are Veterans: Richard Cockrell, Dave Domzalski, Ed Gaida, Rich Grabowski, Tim Krenisky, Sean Lemiec, John Lipnick, Josh Murray, Tom Nova Jr., John Reiger, Bobby Santiago, Ray Smosarski, Frank Trusso Jr., Vince Trusso, Brad Unger and Scott Wadsworth. If we missed any residents that have served, ***please call our office*** so we can include you in the future. Again, thank you for your service and God Bless!

## ***West Side Market***

Bus trips to the West Side Market are the first Saturday of each month, unless there is a holiday or event, then the trip is scheduled for the following week. Upcoming trips are scheduled for November 7 and December 5. Our village van will pick up residents at their home beginning at 7:45 a.m. (the market opens at 8:00 a.m.) and shoppers will have a couple of hours to shop. The van will then depart the market around 10:15 a.m. to bring you back to your residence. Residents must register by calling the village hall **no later than 3:00 p.m. on Friday, the day before the trip**. Please note that children 15 years of age and younger must be accompanied by an adult and there is a \$5.00 non-resident fee. Future West Side Market trips for 2027 are as follows: January 9; February 6; March 6; April 3 and May 1.

## ***Santa Claus is Coming to Cuyahoga Heights***

We received notice from the elves at the North Pole that Santa and Mrs. Claus will be visiting Bacci Park on Sunday, December 20 from 11:00 a.m.-12:30 p.m. This event is for our resident children and grandchildren between the ages of 0-12. Please note that you must sign up for the event by contacting the village hall during regular business hours at 216-641-7020 or email Lee Ann at my office at [l.schoeffler@cuyahogaheights.gov](mailto:l.schoeffler@cuyahogaheights.gov). We will need to know the name(s) of your children/grandchildren and their ages. Dress appropriately for the weather, and we'll have a fire to keep us warm while serving hot cocoa and cookies. Pictures will be taken and each child will receive a goody bag. Deadline to register for the event is Friday, December 4.

## ***Christmas Decorating Contest***

Don't forget to turn your lights on at 5:00 p.m. on Sunday, December 20 for our annual Christmas house decorating contest. To participate —just turn your holiday lights on by 5:00 p.m. There will be cash prizes for 1st, 2nd and 3rd place. Good luck to all!

## ***Congratulations***

Earlier in May, residents Angelina Geggus and John Cuthbert welcomed their daughter Adelyn Bea Cuthbert into the world. Sadly, Adelyn didn't come home right away and spent several months at the hospital in the NICU; she was born with an extremely rare genetic condition. We were recently told that she came home and is blossoming and showing her parents her personality and becoming very vocal. Also, Angelina and John recently got married during the last weekend of September after being together for the past 8.5 years. Congratulations to the Cuthbert family! Pictured are Adelyn and John during her first trip to the Cleveland Zoo earlier in September. Also, a family picture taken during the wedding. Wishing the family continued strength, good health, and bright days ahead.

Matt and Bonnie Cowling recently welcomed their daughter Teagan Suzanne who was born on October 5 at 12:54 a.m.; 7-lbs., 2-oz., and 20-inches long. Grandparents John & Mary Ann Ulmschneider and big brother Matthew Cowling were overjoyed with the new addition to the family. "Wishing you and your little one a lifetime of health, laughter, and beautiful memories."

Dave and Angel Meriwether had their front yard decorated on Friday, October 9 leading up to the football game that evening as Cuyahoga Heights took on the Independence Blue Devils by beating them with a score of 34-0. After the game, the CHHS football team seniors stopped by the Meriwether's home to take a picture with their "big head cutout." What a great way to show team spirit!

## ***Birthdays***

November birthday wishes to employees: (1) Tom Nova; (10) Tom Kekelis and (27) Councilman Bob Unger.

HAPPY  
BIRTHDAY

## ***Offices Closed***

Please note that the village hall and service department will be closed on Tuesday, November 11 for Veterans Day; however, it will be open for the council meeting that evening. In addition, both buildings will be closed on Thursday, November 26 and Friday, November 27 in observance of the Thanksgiving holiday

**CLOSED**

*" With warm thoughts and prayers may your heart be filled with gratitude and spirit of the season, and your home be blessed with peace, joy, and every happiness today and always.  
Happy Thanksgiving! "*

***Following our 14th Annual Corn Roast, we are proud to share that the Village of Cuyahoga Heights has now donated over \$63,000 to school district groups through the years! This milestone reflects the generosity of our school community and the continued success of an event that brings people together.***

***The Corn Roast would not be possible without the incredible support of our dedicated volunteers. We would like to recognize and thank this year's participating groups: Music Boosters, Pack 28, CHS PTO, Cheerleaders, Cross Country, Drumline and the Junior Class. Your time, hard work, and commitment make a meaningful difference in our community.***

***Thank you to the mayor, council members, village employees, residents, volunteers, and school staff who make the Corn Roast such a special annual tradition. We look forward to continuing this tradition for many years to come!***

## A MESSAGE FROM POLICE CHIEF, BRIAN STURGILL

*The Cuyahoga Heights Police Department wants to remind residents of the increase in deer-related traffic crashes this time of year.*

*According to the Ohio Department of Natural Resources (ODNR) Division of Wildlife, deer become visibly active in late October, November and December. This is due in large part to the fall breeding season, which sometimes causes deer to dart into roadways with little caution. This unpredictable movement leads to an increase in deer-related vehicle crashes. Drivers are encouraged to be extra cautious in areas where fencerows, river/creek banks or blocks of forested habitat are adjacent to the roadway.*

### Cost of Vehicle vs. Deer Collisions:

Colliding with a deer is not only dangerous, but also increasingly costly. Recent data estimates the average insurance claim for a deer-vehicle collision in Ohio is nearly \$5,000. Vehicle sensors found on newer vehicles continue to increase repair costs.

### How to Avoid Animal Collisions:

- **Scan the road ahead:** Looking ahead helps provide enough reaction time if an animal is spotted. Also, remember some animals, like deer, move in groups.
- **Use high-beam headlights if there is no oncoming traffic:** This can help you spot deer or other wildlife more quickly and give you time to slow down, move over or honk the horn to scare the animal away. High beams also help in spotting animals' reflective eyes.
- **Be extra cautious at dawn and dusk:** Deer are more active in the early morning and at dusk. That's why these are peak times for deer-vehicle collisions.
- **If a collision is unavoidable, apply the brakes firmly and remain in your lane:** Swerving to avoid an animal can often cause a more serious crash or cause you to lose control of your vehicle. Drivers who swerve to miss a deer and hit something else may be charged for an at-fault crash.
- **Always wear a seatbelt and remain awake, alert and sober:** The chances of injury when hitting an animal are much higher if you don't have your seatbelt on. If you're distracted or drowsy, you're not properly scanning the road for deer and could end up spotting them too late.

### What to Do If You Hit a Deer:

- Following the collision, call the police (911).
- Avoid approaching the deer/animal. A wounded animal can be dangerous and pose a threat when approached.
- Activate the vehicle's hazard lights whether it's light or dark outside.
- If possible, move the vehicle to a safe location off of the roadway, and wait for help to arrive.
- Contact your insurance company representative as quickly as possible to report any vehicle damage.

# A MESSAGE FROM YOUR FIRE CHIEF, MIKE SUHY

## NATIONAL FIRE SAFETY WEEK

# RECAP

The Cuyahoga Heights Fire Department had the pleasure of visiting the elementary school to teach our Pre-K through 5th-grade students about fire safety and the proper use of 9-1-1. Topics included stop, drop, and roll; staying low in smoke; checking doors for heat; and the importance of smoke detectors and having a home escape plan.

The students also had the opportunity to explore the fire truck and ambulance, meet our firefighters, and learn more about the equipment we use to help keep our community safe. Upon completing their "training," each student received a firefighter helmet and badge!

We also visited the middle school to provide students with valuable safety education, including stroke awareness, Stop the Bleed training, and fire extinguisher safety and proper use. These lessons help students recognize emergencies, understand how to respond, and potentially save lives.

*A big thank-you to the elementary and middle schools, along with the staff, for welcoming us and giving us the opportunity to educate our students. These visits are something we look forward to and enjoy every year. We are proud to help build a safer, more prepared community through education and hands-on learning!*

*Happy Thanksgiving  
from the  
Cuyahoga Heights Fire Department!*

*As we gather with family and friends to give thanks,  
the Cuyahoga Heights Fire Department wishes  
everyone a safe and happy Thanksgiving. Please keep  
fire safety in mind while cooking , never leave the  
stove unattended, keep flammable items away from  
open flames, and make sure smoke alarms are  
working properly. Enjoy the holiday, and thank you for  
helping keep our community safe!*

## Giving Thanks & Preparing for Winter

*Dear Residents and Partners,*

*As we gather with family and friends this Thanksgiving, the building department wants to express our sincere gratitude to our community. We are incredibly thankful for the opportunity to work alongside homeowners, local businesses, and contractors to keep our village growing, beautiful, and—most importantly—safe.*

*As the autumn leaves finish falling and the winter chill sets in, November is the perfect time to tackle a few seasonal safety checks around your home.*

### Quick Home Tips for Thanksgiving & Winter Prep

- **Safe Holiday Cooking:** Thanksgiving is the busiest day of the year for home cooking fires. Remember to keep a fire extinguisher nearby, test your smoke alarms, and never leave an active stove or oven unattended.
- **Winterizing Your Pipes:** Avoid the headache of frozen, burst pipes. Take a moment this month to disconnect outdoor garden hoses, shut off indoor valves leading outside, and insulate pipes in unheated areas like basements or crawlspaces.
- **Clear the Gutters:** Clogged gutters can lead to ice dams and severe roof leaks once the snow starts flying. Ensure your gutters and downspouts are clear of fall leaves.

### Permit Reminders: Shifting Indoors

With the colder weather arriving, outdoor construction may be winding down, but indoor home improvements are ramping up!

**Thinking of remodeling your kitchen, finishing your basement, or upgrading your heating system this winter?**

- Please remember that most major interior structural, electrical, mechanical, and plumbing projects require a building permit.
- Filing your permits early helps avoid delays so your winter projects can stay on schedule.

### Did You Know?

Expiring Building Permits may be eligible for an extension if you contact the building department to request an extension to complete your project at a later date.

# The George M. Suhy Grant Program

The process is now done online through our website at [www.cuyahogaheights.gov](http://www.cuyahogaheights.gov), click on the online services tab at the top of the page and scroll down to Suhy grant application. This is where you will start your application for your grant. Please follow the steps listed below:

*Please note: If you do not have access to a computer, please call the building department and we can schedule a time when you can come into the village hall, and we will assist you in filling the application out on a village computer. Please call 216-641-7020 to schedule with the building department Monday through Friday from 8:00 a.m.-12:00 p.m. and 1:00-4:30 p.m.*

# Service Department

Our website now features service applications for village residents to apply online!

To apply, go to [www.cuyahogaheights.gov](http://www.cuyahogaheights.gov), click on the "Online Services" tab then scroll down to "Service Department". Any of our services are available also by calling our service department during normal business hours

from 8:00 a.m. - 4:00 p.m. Monday through Friday.

Services below with  you can request online!

## Garbage Pick Up/ Recycling/ Yard Waste

**When:** Every Monday beginning at 8:00 a.m. (*If holidays land on a Monday, delayed until Tuesday*)

Our service department collects garbage at no charge to its residents. They will come into your yard and take your garbage tote and recycling container to the curb; afterwards they will carry it back into your yard.

## Newspaper/ Cardboard Recycling

**Location of Recycling Container:** Rear parking lot of Bacci Park

Strictly for cardboard and newspaper. Please make sure to break down your cardboard boxes before placing them in the container. Stop on down and do your part in recycling. If you have a large amount and are unable to take it to the container, call or sign up online for a "Special Pick Up".

## Special Pick Up

**When:** Tuesday mornings (Wednesdays, if Mondays are a holiday)

**Can include:** Oversized items, large quantities or hazardous waste materials.

Sign up by 4:00 p.m. Mondays.

**You'll need:** Name, address, and all information regarding items you would like to be picked up and where they are located. You will then get an email response when the request has been successfully submitted. If you have any questions, please contact Vera at 216-641-3505.

## Charity Pick Up

**When:** First Wednesday of the month

**Donatable items:** Small household items & clothing.

Sign up prior to the first Wednesday of the month. No tax receipts are given for this service. If you have any questions, please contact the service department.

## Table & Chair Rentals

**Cost:** No cost

**Availability:** Limited to 3 tables and 30 chairs

Tables and chairs are offered to our residents to rent for parties held at their residence. Reserve online or by calling the service department.

# Service Department

## Dumpster Rentals

**Cost:** \$30 each dumpster load

**Rental Duration:** Maximum of two (2) weeks

**Approved items:** Yard waste, construction debris or miscellaneous household items

**Restricted Items:** Carpet, tires, or hazardous waste. **Please do not mix materials!**

Provide your information and select a preferred delivery date for the dumpster and specify the location for placement. You also can drop off cash or check payments at village hall. *Please note that the disposal of debris created from outside the village is prohibited.*

## Pest & Insect Control

**Cost:** Free for residents *\*\*with the exception of termites, bed bugs, and wildlife*

Once we receive a request, the service department will coordinate with our pest control vendor. Additionally, the village conducts exterior spraying of your home in the spring to help prevent unwanted pests from entering. As always, you can also reach out to the service department to report any issues.

## Meals On Wheels

**Cost:** \$25.00 per week

**Age:** 60 years and older

Our senior residents can sign up for one meal a day to be delivered to their home provided by Lori's Custom Catering. Payment must be made by the Thursday prior to the week you choose. If you have any questions regarding this service, please contact Vera at the service department.

## Tree Trimming/Removal

**Cost:** Free for residents except for stump grinding or crane services

**Limits:** Two (2) trims and one (1) removal per year

Applications are available online, or a paper copy is available upon request at village hall. Once a request is received, the service department will coordinate with our tree removal contractor to schedule your service. The contractor will contact you directly to arrange timing.

Happy

THANKSGIVING

# Residential Snow Removal Program

*As winter approaches, please take note of the village's snow removal procedures:*

**Roadways First:** All village streets will be plowed and maintained before any driveways are cleared.

**Senior Driveways:** Once the service director determines that village roads and municipal properties are properly maintained, the driveways of senior residents will be plowed—using the same eligibility criteria as our grass cutting program.

**Additional Assistance:** Depending on manpower, time, and safety considerations, the village may assist other residents with driveway plowing during storms producing more than 2–4 inches of snow.

**Driveway Markers:** Driveway markers are required for all residents wishing to have their driveways plowed. The village provides and installs markers for seniors enrolled in the grass cutting program ONLY. Residents are responsible for ensuring plow markers are in place before the first snow. Shorter driveways require 4 markers, while longer driveways need 6 which are to be placed at the beginning, middle and end. If you need markers for your driveway, they are available for purchase at the service department for \$1 each.

**Aprons & Liability Waivers:** Residents are responsible for clearing their driveway aprons, as these are difficult to re-plow after the streets are done. A waiver of liability must be on file with the service department before any driveway can be plowed. If you've previously submitted one and your information hasn't changed, you do not need to complete a new form.

*If you're unsure whether you have a waiver on file or have any questions, please contact Vera at the service department 216-641-3505*
